

**CONDITIONAL SALES AGREEMENT
BREEDING MALE**

This Agreement concerns _____ . TICA Registration Number _____ and is between _____ Seller, and _____ Buyer.

General Conditions

This male, _____, will be sold to _____ for \$ _____. He will be sent with a veterinarian's certificate showing him to be in good health and free of any contagious condition, illness, or parasites. A recent FeLV and FIVnegative test certificate will also be provided. Seller verifies that there are no precluding reasons why this male should be unable to sire normal litters free of hereditary defects. If however, this male fails to produce young after breeding _____ intact females, tests will be done at the expense of the new owner to determine fertility of the male. If seminal examination finds him to be sterile, the following compensation will be made by the seller:

Terms of payment:

At this time, Buyer will pay \$ _____ on the entire purchase price, with payments to follow of \$ _____ per _____. Additional Compensation will include: _____ The balance of the funds due will be paid by _____. Registration papers for this cat will be held by the Seller until the full purchase price is paid, at which time papers will be delivered. If the cat is used for public stud before final payment, any stud fees received will be jointly shared by both parties.

_____ may be returned to the Seller within 10 days if the Buyer is not satisfied for any reason.

Should the Buyer at any time in the future decide to sell _____, the seller will be given first opportunity to buy him at \$ _____.

Seller retains limited breeding rights with this male, being able to send no more than one female per year for Breeding to the said above male. No stud fee will be charged, but boarding fee of \$ _____ per day may be charged by the new owner. Intention to send a female for breeding must be made known to the new owner at least 2 months before the planned mating and negative FIV FeLV test results must be provided on the queen. If the queen fails to conceive resorbs or aborts, she may be returned, after satisfactory veterinary examination, for rebreeding with no stud fee.
